

## Sarns™ Sternal Saw II

### Sarns™ Sternal Saw II

To cut the sternum carefully and rapidly,  
and to make handling and maintenance more efficient.

- ▲ Clear line of sight and lightweight design provide exceptional control.
- ▲ Can be ETO sterilized or autoclaved to ensure quick turnaround time.
- ▲ Quick-release blades and patented retention system enhance convenience.
- ▲ Sharp, single-use blades available in sterile or non-sterile bulk pack.
- ▲ Tapered blade protector deflects underlying tissue from blade contact.
- ▲ Compatible with original Sarns™ Sternal Saw electro-mechanical drive system.

# Sarns™ Sternal Saw II

## U.S. patent information

- Saw blade retention system U.S. patent 5,340,129
- Saw blade U.S. patent 5,433,457

## Ordering information

Description	Catalog No.
<b>Sarns™ Sternal Saw II</b>	
<b>Sternal Saw II Hand Piece</b>	
Includes saw, blade and protector, for use with existing power unit (motor), flexible cable and footswitch	5590
<b>115V Sternal Saw II System</b>
